## What's New

### MSI Unveils World's First 13.3" Notebook with Crystal MSI S300 Crystal Collection takes you to the top in today's modern society

MSI today expands its notebook lineup with MSI S300 Crystal Collection, the world's first 13.3" notebook with crystal. MSI S300 Crystal Collection features MSI's exclusive crystal ring, 13.3" ACV (Amazing Crystal Vision) widescreen display, integrated 4 High-Quality speakers, the Shiny UV Light Glossy Coating, and Intel® Centrino Duo Mobile Technology. [<More...>](#)

### The irresistible temptation of Crystal,MSI M677 Crystal Collection takes you on top in today's modern society

Crystal is a symbol of clarity and purity. According to the legends of the Roman Empire, crystals were discovered at the Alps Mountain . Initially, they thought that crystals were a form of ice, but researchers found out that crystals are natural stone with high transparency and clarity. [<More...>](#)

### MSI Concept Product: HATO Notebook,The World No.1 ECG Healthy Notebook

Micro-Star International has taken a new challenge to incorporate its advanced solution in today's medical and hospital information systems. MSI's excellent R&D team has designed a revolutionary notebook, which supports the ECG (electrocardiogram analysis). The H3 NB stands for Digital Home, Hospital Online, Heart Healthy Monitor and will be known as HATO (H eartbeat A udition T ransceiver O n-the-Go ) NB [<More...>](#)

### With the growth of the MSI Forum online community,the server has been upgraded.This was needed because the forum was falling apart on the old server.

With the growth of the MSI Forum online community, the server has been upgraded from PIII-700 512MB to a 2x Xeon 2.8GHz, 2GB memory and 2x 73GB 15000RPM harddisks. This was needed because the forum was falling apart on the old server. [<More...>](#)
